

OLD FLAMES

Incite passion with intoxicating syrah-stained reds, chocolate browns, and deep purples reminiscent of semi-precious stones. Embrace emotive Resene Bullseye, Resene Burnt Sienna, Resene Merlot or Resene Vanquish to establish an unforgettable connection, complemented by furnishings with luxuriously textural upholstery, such as velvet and leather.

LETTERS FROM YOUR LOVER

It pays to note that you can entertain the romance of a heady colour as an accent paired with a less-intense neutral. Seek out better-than-barely-there Resene Smooth Operator, Resene Alabaster, Resene Champagne, Resene Cashmere or Resene Provincial Pink as neutrals with a hint of nostalgia – they'll provide a striking contrast.
